Do you want to also send as attachment the summary of the SCORPIOS report for \$2,634,558.83, which is the initial one used to review and identify the costs to be omitted? The spreadsheet Accounting did to show the 50% deduction for the attorney is attached in the routing. Did you see it? Do you want to send the one page summary sheet you did detailing the costs to be included with the bill? If so, I don't have that because you gave me a hard copy. You could put a heading on that and edit a bit and I'll attach it as well.

Let me know.

I concurred for both of us and sent it to David McQuiddy. I didn't see the documentation of the costs we didn't include in the demand – could we also include the summary sheet for a SCORPIOS report for all costs during that time period, or just a paragraph summarizing RI/FS costs not included? Thanks.

During your review, will you also concur for Amy so it won't be held up until she return.

Thanks.
